PLINKO

Yellow Lowest Prize	Blue 2 nd Best Prize	Green 2 nd Lowest	White Nothing	Pink Dream Prize	White Nothing	Green 2 nd Lowest	Blue 2 nd Best Prize	Yellow Lowest Prize
---------------------------	---------------------------------------	------------------------------------	------------------	------------------------	------------------	------------------------------------	---------------------------------------	---------------------------

Instructions:

1. Cut a square piece of wood 24" X 24".
2. Measure & draw an 18" square in the center. (3" margin on all sides, give or take a little)
3. Measure & draw 2" columns.
4. Paint columns, margins & attach PLINKO words.
5. Measure 2" rows with pencil & mark dots on all the dots shown in pattern above.
6. Drill a screw into each of these dots. (110)
7. Find a Plinko Chip (disc) 1 5/8" to 1 1/2" in diameter. (Metal Mart in Lehi \$9 cents)

Original idea was taught at 07 Winter conference by Kathy Larson kathy_italy@yahoo.com
